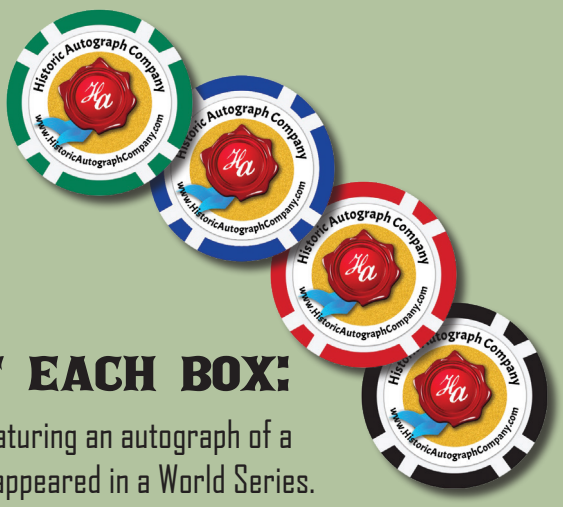
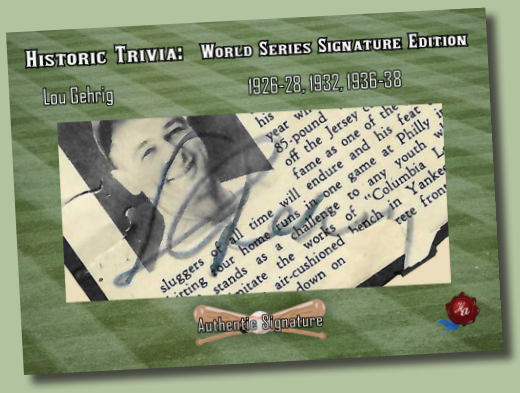
2022 Historic Autographs TRIVIA Game: World Series Edition

HA is offering something new

A 220-card Trivia game, complete with a gameboard poster, 4 player markers and a cut signature card featuring an autograph of a player or manager that appeared in the World Series.





Contents of each box:

- (1) cut signature card featuring an autograph of a player or manager that appeared in a World Series.
- a 220-card trivia question/answers set. Catagories are Baseball, Football, Basketball; Other Sports and Potpourri (for those that are not sports fanatics).
- a 24"x24" gameboard poster and four colored poker-chip style markers

Pricing was set as if someone was buying just a Trivia game but we added the cut signature card to bolster interest and give those who love "the chase" a chance to grab some HUGE names. Signatures included are Lou Gehrig, Ty Cobb, Roberto Clemente, Jackie Robinson, Joe DiMaggio, Mickey Mantle, Gil Hodges, Sandy Koufax and Pie Traynor.

If this was a 20-pack box that guaranteed (1) signature per box with the HUGE names listed above, it would easily sell out. Historic Autographs is trying something new and fun that families or groups of friends can all enjoy.
